PROFESSIONAL SUMMARY

Aspiring **Software Developer** and **Computer Science student** skilled in **core CS concepts**, data structures and **logical problem-solving**. Hands-on experience building **full-stack applications** with a focus on secure database integrity. Skilled in delivering **technical knowledge** through practical solutions. Known for analytical thinking, **strong creativity**, effective time management, and a continuous growth mindset.

EDUCATION

GLA University, Mathura

Bachelor of Technology in Computer Science

August 2023 - June 2027

CGPA: 8.50

INTERNSHIP / TRAINING EXPERIENCE

Job Oriented Value-Added Course: Python

June 2025 – July 2025

GLA University, Mathura / Trainer: Shubham Singhal (Coding Blocks)

- Learnt fundamentals of Machine Learning using Python.
- Built a project titled “**Inner Compass** – Mental Healthcare App” after training.

PROJECTS

• EvenTick – Event Management & Booking Platform

Mar 2026 – May 2026

- Built a full-stack event booking platform with event hosting, ticket booking, authentication, and real-time seat tracking using MERN Tech Stack.
- Developed optimized REST APIs for event scheduling and booking management with reliable performance.
- Created reusable frontend components and modular backend architecture using Agile practices.

• Parking Management System (Java OOP)

Feb 2026 – Apr 2026

- Developed a Java CLI parking management system using OOP concepts for agencies, vehicles, slots, and pricing management.
- Implemented offline data persistence using Java Object Serialization for tickets, records, and revenue storage.
- Built dynamic slot allocation, time-based billing, and a custom 31-based hashing authentication system.

TECHNICAL SKILLS

- **Languages:** Java, Python, JavaScript, HTML/CSS
- **Libraries & Frameworks:** React, Node.js, Express.js
- **Databases:** MongoDB, PostgreSQL
- **Developer Tools:** Git, GitHub, Postman, VS Code
- **Core CS:** Data Structures & Algorithms, OOPs, Agile Methodology, System Design, DBMS, Operating Systems
- **Soft Skills:** Problem Solving, Creativity, Teamwork, Communication.

CODING PROFILES

- **Codeforces:** Solved 100+ problems, Rating: 1000+
- **LeetCode:** Solved 700+ problems, Rating: 1500+

PROFESSIONAL ACHIEVEMENTS / INSIGHTS

- Selected in GLA University’s SIH 2025 internal round, placing in the top 15 teams.
- Recognized with multiple technical certifications, including Oracle OCI Foundations Associate, NPTEL Software Engineering, Great Learning, SkillUp GCD, etc.
